As a follow-up to our briefing with the RA yesterday on the Letter to Sunnyside, management has asked us to come up with what would be our preferred option if Sunnyside says No.

We have a meeting scheduled with BLM and CDPHE for Monday, Dec. 8th so we need to meet and develop the options before that meeting.

I realize that not everyone may be able to attend for the entire time but this was the best time next week when the majority of us were available.

Please let me know if you can make the meeting. I will get a conference room and send an update.

Thank you.
